

THE STREET ART TRAIL

 **noosa junction**

www.noosajunction.com

Discover Noosa Junction's Street burgeoning art scene on this self-guided walk through our streets and laneways. The artwork from some of Australia's most talented street artists is inspired by Noosa's nature, good times & our favourite locals... This walk is approximately two kilometres and takes around 1-2 hours (or more depending on how many times you stop for refreshment!)
